THE UPSTART CROW PRESENTS PYGMALION
PYGMALION plays at the Dairy Arts Center May 16 – 26, 2019

Henry Higgins, professor of phonetics, meets Eliza Doolittle, a common flower seller, on a rainy night in early 1900s London. Fascinated by her cockney accent, Higgins bets his colleague that he can transform her into a poised, well-spoken Duchess in a matter of months and present her to high-society without anyone realizing the difference. Join us for this charming tale of a young woman's struggle to create her own destiny in a world designed to keep her from succeeding. Pygmalion inspired the award winning musical and movie, My Fair Lady. **PYGMALION performs at The Dairy Arts Center 2590 Walnut St, Boulder, Colorado.
